WORK EXPERIENCE

2019 SUMMER

Purcell Architects - Part 1 Architectural Assistant
Coordinated and modelled the BWIC package for the Manchester Town Hall refurbishment

2016 - 2018

Stride Treglown - Part 1 Architectural Assistant
Worked within the higher education team on a £75 million ITT, education team on a £30 million secondary school Stages (1-4) and on a Science and Research facility of the University of Bristol. I also gave talks on behalf of the practice and their sustainability initiatives at networking events and helped organise company parties and charity BBQs.

2014 - 2015

KLA Architects - Summer Internship & Freelance Work

Worked alongside a sole practitioner on residential extensions and new builds across Stages 0-7, taking and drawing up surveys and 3D visualisations.
